CyberArch

Seeking Ambitious & Goal Oriented Students!

UGA CyberArch is a UGA Academic and Public Service and Outreach collaboration that includes the College of Engineering, Department of Computer Science, the Institute for Cybersecurity and Privacy, and the Terry College of Business. We are seeking committed students to be a part of an internship for Fall 2022 focused on community cybersecurity. As a part of this program, you will become a certified Cyber Security Assessment specialist, have hands-on, practical experience, and directly impact the cybersecurity of Georgia.
